EXPERIENCE

Freelance Illustrator – Self-Employed

September 2024 -

Working on commissions and communicating with clients to meet their requirements

The John Hansard Gallery – Gallery Assistant

November 2020 -

Assisting with Southampton's premier modern art gallery; providing information and helping visitors understand the artwork on display

Ordnance Survey - Cartographer

April 2015 – June 2018

Worked on a long-term contract editing and digitally redesigning maps to high specifications as would be expected by the country's mapping agency.

ABOUT

My name is Darren Hockey. I am an illustrator based in Southampton, on the south coast of England.

I have experience digitally illustrating portraits, scenes and have worked for the country's mapping agency digitally editing maps.

I have also completed several freelance projects for clients creating portraits and promotional material.
